Thursday, March 16, 2017

Schlafly Tap Room | 2100 Locust St. | St. Louis, MO

Suggested donation \$10 to benefit:

5 p.m. - 8 p.m.
Presentations
at 6 p.m.

Cash bar

St. Louis Audubon's Bring Conservation Home program and the Missouri Prairie Foundation's Grow Native! program are excited to present a talk by Alan Branhagen, author of *Native Plants of the Midwest*. Alan is Director of Horticulture at Powell Gardens near Kansas City. Grow Native! professional members will be present to answer questions and discuss native plants, landscapes, and ideas.

Come to mingle, meet, and hear about the Bring Conservation Home program from St. Louis Audubon members and connect with local landscape designers, landscape architects, land care service providers, retailers and other professionals with a passion for native plants.
